Galleon

Please accept my congratulations on the successful completion of your Seton Hall degree – and, for many of you, the exciting first years of graduate study and careers.

Seton Hall. Alma Mater. Our University is many things. It is a city: a small town, a suburb and a cosmopolitan center of life and learning. At Seton Hall we are neighbors – good neighbors – and family members. We work hard together, help each other, debate each other, have fun together, strive to teach and to absorb knowledge and worship the Creator who makes it all possible.

When you look through these pages you will remember people and places. You will smile. You will relive momentous events and even some sad or difficult times. And you will not be alone. Seton Hall is with you, and for you, always.

Hazard Zet Forward!

Monsignor Robert Sheeran, S.T.D.
University President

Congratulations! Achieving a Seton Hall degree is a major milestone in your life. After these years of intense study, developing friendships and, I hope a bit of fun, you are now being sent into the world to be a servant leader, that is, one who is committed to make the world a better place.

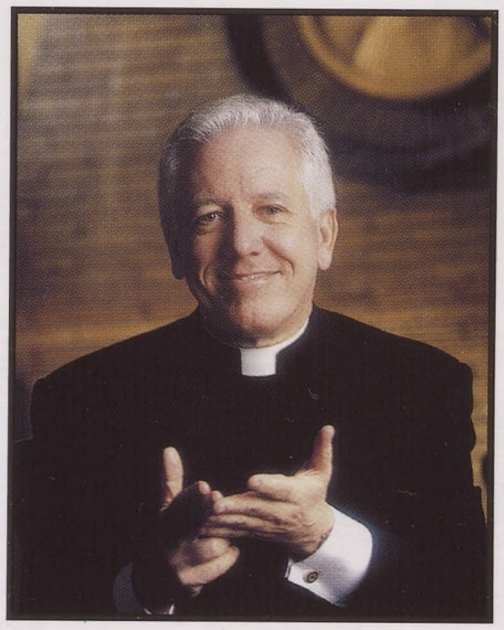

As you go, be sure to look up and thank the Creator for instilling in you the abilities that have helped you reach this success. Look back and express gratitude for those who have supported you to achieve this milestone: your parents, family, friends, professors, coaches and numerous mentors. Look forward, to see that the dream you have begun to pursue is truly accessible. And take time to look at yourself, in the hopes of ever improving and building on your God given gifts and talents.

Seton Hall is proud of you. As you go forward, know that you join almost 70,000 other alumni, some of whom are pictured in this yearbook. Remember, wherever the road of life takes you, you will never be alone. Be assured of my best wishes for unlimited success!

GALLEON 2002-2006

To the Classes of 2002 – 2006,

Producing this commemorative yearbook has been a labor of love. The last Galleon yearbook was produced five years ago, and as dean for community development, I felt it was important to reintroduce the Galleon to the University community — particularly as we celebrate our sesquicentennial.

As you know, there are many types of memories that we create in our journey. Memories that are fond. Memories that are bittersweet. And, memories that are a mixture of the two emotions. It is with this mixed emotion that I write to you.

After ten years at Seton Hall, I am leaving the University to pursue a new opportunity, and in the process, to begin a new chapter in my journey.

Enjoy this yearbook and the memories contained in its pages.

Like you, I have many memories of my time at Seton Hall, and like you, I will remain connected to the University, and its people, for years to come.

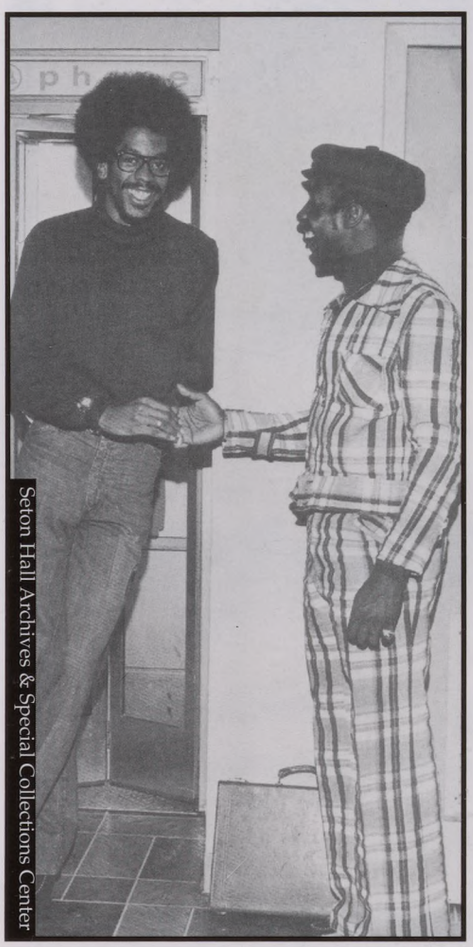

Dawn Williams, Ed.D.
Dean, Community Development

SCHOOL

All day I think about it,
then at night I say it.
Where did I come from, and what
am I supposed to be doing?
I have no idea.
My soul is from elsewhere,
I'm sure of that,
and I intend to end up there.
